### HOT LUNCH PROGRAM:

The first week of deliveries seems to have gone quite well, and students are excited to have the hot meals. **Students participating must BRING THEIR OWN CUTLERY and should also continue to bring snacks and a water bottle/drink.** It is not too late sign up, and you create an account for your child(ren) here: [HOT LUNCH](#)

### THANK YOU FOR YOUR ASSISTANCE:

Thank you for your support in reinforcing our message about "Bringing your Best Self" to school. Slides were shared for families to review. With only a few short months left, we want to make the most of our time together and promote students engagement!

### MASCOT AND MOTTO LAUNCH:

All families will be invited to fill out a Google form in the coming days if they wish to make suggestions to name our school sports teams, mascot, and create a slogan or motto!

## BE YOUR BEST SELF

### OPEN HOUSE WAS A SUCCESS!

Thank you to all of the Riverview families who came out to celebrate learning and see all of the great things that go on at the school during Open House. The future of Riverview looks bright, with over forty-five families booking appointments to register already! We will maintain our 3rd Kindergarten for next year, which is great news! Ms. Kim will be very busy for the next little while!

### RECLAIM LITERACY ANNUAL BINGO ACTIVITY:

Good luck, readers, and don't forget about the great FREE books on the: [SORA APP](#). Winners will be announced later this week, in advance of Family Literacy Day on January 27th.

### DAWSON B&G:

Dawson's after school walksafe program is set to begin again on Monday afternoon. Please be sure that your child is registered and that they are aware they will be attending. Only students whose names are on the list will be dismissed to walk with the animators. Students meet in the gym at the end of the day and leave via the K4/K5 gate on Godin at ~2:30 daily.

### CLC ACTIVITIES:

Confirmation letters are on the way for the activities that are set to start tomorrow and run until March Break. Students have been placed in as many of their choices as possible and extra groups have been made to accommodate requests wherever possible, thanks in part to PPO funding!
