As per the Ministry's recent announcement, a tutoring program will be made available to some students (by teacher recommendation) in order to make up some of the time lost during the strike days. The program, animated by Riverview staff, will run for 6-8 weeks after March Break. Letters will be sent out to families shortly and participation is optional. Once confirmed, a schedule will be finalized., but the sessions will run after school for one hour.

Students in Grades 4, 5 and 6 will participate in the annual OurSchool Survey this week to give feedback on school climate, engagement, safety, and more. Please see the attached letter of explanation for details.
