RIVERVIEW
École Primaires
Bilingual School - Connally Learning Centre

PREPARING FOR THE RETURN:

We are looking forward to welcoming everyone back tomorrow and hope that the break was a relaxing, refreshing reset for students, staff, and families! As we head back to school (and adjust to the time change), please ensure that students go to bed early this evening and rest well for the return to school routines tomorrow. All students are reminded to bring back their indoor **SHOES** and, in spite of milder temperatures expected at the beginning of the week, to still have **boots and snow pants** as the yard will remain messy for a while yet! We will have assemblies tomorrow and Tuesday to remind students of expected behaviours and preview of the many things to look forward to as we prepare for the arrival of SPRING and the start of TERM 3!

TERM 2 REPORT CARDS AND INTERVIEWS:

This Friday, Term 2 report cards will be released on Mozaik. Please be sure to check that you have access in advance and let us know if you need any help with your account. Interviews will take place next **Thursday, March 20th**, both virtually and in person. Teachers will send home letters this week requesting interviews for certain students. If an interview is not requested, but you would like to speak with your child's teacher, please feel free to reach out! Teacher emails are available on the school website at <https://riverview.lbpsb.qc.ca/>

REMINDER TO ALL K4/K5 PARENTS:

The vision screening is coming up next **Tuesday, March 18th**. Please be sure to have returned the registration form indicating if you would like your child to participate or not. Each child who is screened will have a report filled out by the nurse to give parents feedback. There is no charge for this service, provided by l'École de la Vue.

VERDUN'S 150th/RIVERVIEW'S 100th:

Please keep sharing the link: [Almost a Century of Riverview](https://almostacenturyofriverview.com/) to add to our timeline. It is our hope to gather photos, information, and memories to share about our school's rich history over the last (almost) 100 years! Feel free to add your family's contribution!

ACADEMIC SUPPORT:

We will be running a ten-week program after school to support student learning in Math, English, and French, from the end of March until early June. Letters will be sent home shortly to students who have been nominated by teachers, and, if space remains, interested parents can apply for the remaining spots. Information will be sent home shortly, with thanks to the teachers who have stepped forward to provide the service!

CLC

PROGRAM:

Our third and final session of the year is gearing up to begin at the end of March and run for 8 weeks. **Mr. Daniel Frankman** will unfortunately be on a leave of absence beginning this week, so we will be organizing the new session in his place and will get registrations out to everyone as soon as possible. We wish him the best and hope to have him back with us soon!

CLASS OF 2025:

Plans are underway for our graduating class, with hoodies arriving this week, the grad trip booked, grad photo proofs ready, and the graduation ceremony and reception plans beginning! **SAVE THE CEREMONY DATE: June 19th, 2025 at 4:30 p.m.** All grade 6 students are reminded that the trip in May is a privilege and that they must represent themselves well in the days and weeks to come in order to participate. Good choices, hard work, and kindness are expected. We are here to support them for a great end to the year... Time is sure to fly!

PPO UPDATES:

Our PPO will be sponsoring a Pizza Lunch in the spring, but it has been postponed from the originally scheduled date of March 14th. As a result, please be sure that your child **has a lunch on Friday** and we will confirm the new date as soon as possible. You will also be receiving information this week about the upcoming **Felix & Norton** cookie dough fundraiser that will run for March and April. All funds raised will go toward supporting school initiatives and activities that are aligned with our school's Educational Project objectives, including Literacy, Numeracy, S.T.E.A.M., student wellness, and our Outdoor Classroom project! Thank you to them and to all of our school community for the tremendous support!

ONGOING FUNDRAISERS:

Click here to donate: [ONLINE DONATION TO PEF](#)
TAX RECEIPTS are issued for donations over 25\$.
