VIOLENCE PREVENTION WEEK:

The Ministère d'Éducation du Québec (MEQ) will be promoting a violence prevention week from March 17th-21st. Resources, videos, and discussion points are being shared with staff to supplement what is already being done in classrooms and around the school. **This initiative is aligned with last week's assemblies about our rights and responsibilities as students and staff at Riverview.** Please take a moment to review our code of conduct and expectations about school appropriate language, social media conduct, and behaviour with your children. It takes a coordinated, consistent effort by ALL stakeholders to establish and maintain a safe, happy environment where students and staff can feel safe, happy, supported, and heard.

TERM 2 REPORT CARDS AND INTERVIEWS:

Report cards were released on Mozaik on Friday. Please be sure to log in to review and discuss them with your child. If your child's teacher has requested an interview, please be sure to return the form to coordinate a time. If one was not requested, but you would like to meet, teacher emails are available on our website at <https://riverview.lbpsb.qc.ca/>

K4/K5 VISION SCREENING:

Just a reminder that the FREE vision screening by l'École de la Vue is on Tuesday. Students will be accompanied by school staff to the short screening that will be conducted in the breakfast club area on the second floor. Only those with signed permission will participate. Results will be shared with parents promptly.

VERDUN'S 150th/RIVERVIEW'S 100th:

Please keep sharing the link: [Almost a Century of Riverview](#) to add to our timeline! This, the Outdoor Classroom, and other projects are lined up in celebration of the community in the coming months!

ACADEMIC SUPPORT:

The preliminary schedule is being worked out this week and parents of nominated students will receive letters shortly. We hope for the program to be up and running on Tuesdays, Wednesday, and Thursdays after school from 2:30-3:30 p.m. Once started, it will run until June.

CLC PROGRAM:

In the absence of a CLC coordinator at the moment, Ms. Kim is working hard behind the scenes to help organize the next session. Permission forms will be sent home shortly for the last of this year's sessions. The program will run for eight weeks. Donations sent in serve to buy materials and pay animators as the cost is not completely covered by grants. Thank you for your patience. We will be up and running shortly!

SOCIAL MEDIA:

Students in Grades 5 and 6 will meet with Ms. Brown briefly tomorrow afternoon regarding appropriate Chromebook use and social media as it pertains to school. The SPVM community police officers will also be visiting soon to review student rights and responsibilities when it comes to online conduct. Please help us by overseeing what your children have access to on phones, game systems, and tablets in their free time.

FELIX & NORTON ORDERS:

PPO launched their spring fundraiser last week and will be taking **Felix & Norton** cookie dough orders until the end of the month. The order form is digital this year and is attached to today's email, in addition to being available here: [ORDER FORM](#), and on Facebook. Please send payments in a clearly marked envelope to have your order processed.

DOMINO'S PIZZA NIGHT THIS WEEK:

On **Tuesday** evening, families are invited to take a break from cooking and consider ordering from **Domino's**! A portion of each sale is donated to the school if you mention Riverview's coupon codes when you order. The flyer is attached and will be posted on Facebook as well!
