FELIX & NORTON ORDERS:

There is still time to order your **Felix & Norton** cookie dough!

Paper copies of the order form are being sent home for your convenience. You can also use the QR code on the poster or the order form here: [ORDER FORM](#). Orders are processed upon receipt of payment and will be available for pick-up on the afternoon of April 10th. Please send in your payments clearly labelled with your child's name & homeroom.

BACK TO BASICS:

Unbelievably, we are about to enter the month of April! Part of our "spring cleaning and renewal" is a "back to basics" approach. As such, everyone is reminded to double down on the simple things, such as: **arriving on time, regular attendance, reviewing the code of conduct, being prepared, and maintaining effort and focus.** As spring settles in, we will be organizing yard activities and materials to provide students with options for play at recess. All are reminded that crocs/open sandals are not permitted (particularly in phys.ed due to risk of injury). Looking forward to the week ahead!

PARENT WORKSHOP REMINDER:

The Central Parents' Committee of the LBPSB has asked to share a parent workshop opportunity that is coming up on **Monday, March 31st at 7:00 p.m.** As per my email last week, the workshop is designed to help understand bullying and why it happens, to be able to recognize the signs in children's behavior, and how to deal with it. Discussion will include how the brain influences the incidence of bullying and how positive self-esteem helps to mitigate its effect on children. The virtual workshop is FREE and interested parents are invited to register here: <https://ilive.app/events/10792> to listen in.

HOT LUNCH FEEDBACK:

Our hot lunch supplier, La Cantine Pour Tous is asking for feedback. The survey is only 6 questions long and will serve to improve the service. The deadline to respond is April 1st. Please note that the survey is in French and can be found here: [SHORT SURVEY](#)

VERDUN'S 150th/RIVERVIEW'S 100th:

Please keep sharing the link: [Almost a Century of Riverview](#) to add to our timeline! This, the Outdoor Classroom, and other projects are lined up in celebration of the community in the coming months!

K4 PARENT COMPONENT:

Next **Monday, April 7th**, parents of students on Ms. Erin and Ms. Jennifer's K4 classes are invited to take part in a **"Books and Bagels"** event with our partners at JAME (J'apprends avec mon enfant). The workshop for parents will begin at 12:30 p.m. and will be followed by a reading activity with students before they prepare for dismissal at the end of the day! An invitation to RSVP will be sent by teachers this week.

PEARSON FAMILY FUN RUN:

Save the date! This year's Pearson Family Fun Run/Walk will take place on Sunday, May 4th at Margaret Manson Elementary School. The Pearson Education Foundation raises money for school events, activities, and supports families by providing school supplies, winter clothing and more, when the need arises! See the flyer attached for details... We hope to see you there!

FIELD TRIPS AND ACTIVITIES:

A number of classes have both educational and recreational field trips planned in the coming weeks. Please know that we do our best to keep these trips free or at a minimal cost to parents (through fundraising, PPO, and Ministry of Education grants). Please be sure to sign permission forms and read details of the trips carefully to ensure that all goes smoothly for students and staff. All students are reminded that these trips, while part of our regular programming, are also a privilege. Consistent effort and behaviour leading up to these activities are required. It is always our hope to have ALL students attend, but if a student is not representing themselves well at school, online, and/or in the community, they may be asked to stay behind at school with another class.

EXCITING TIMES LIE AHEAD... LET'S DO OUR BEST TO BE OUR BEST!

ACADEMIC SUPPORT:

Permission forms were sent home last week to students nominated by teachers. Only students with signed permission may participate in the 10-week program. Please be sure to have filled out and returned the form by tomorrow. Sessions run from 2:30-3:30 p.m. Tuesday-Thursday and, at the end of each session, students will be dismissed at the OFFICE (either to parents, to daycare, or to walk home).

FEDERAL ELECTIONS APRIL 28th:

Please note the change: there will be **NO SCHOOL**, but the **SEED** program will be **OPEN**. Riverview will be used as a polling station that day.
