2024-2025 Family Edition

Like our Facebook page for news and updates!

Volume 28  
April 7th - April 11th, 2025

## FREE WEBINAR FOR CYCLE 3 PARENTS:

On April 22nd at 7:00, LEARN Quebec will be hosting a FREE online workshop for interested parents of students in Cycle 3. The optional webinar, entitled: *Mutually Changing Roles, Expectations & Responsibilities - High School - Here We Come!*, will focus on identifying skills and competencies that students in Grades 5 and 6 will need as they get ready for high school. Animators will explore how to adjust parenting styles to meet the rapid shifts and changing needs at this stage of development. Parents are encouraged to register by clicking on the following link: [Family Resources - Parents](#)

## FELIX & NORTON DELIVERY:

Thank you all so much for your cookie dough orders over the last couple of weeks. Our PPO volunteers have worked hard to coordinate the orders, payments, and delivery details. Orders will be packaged for pick-up after school on **Thursday, April 10th** at the hop-hop doors (GYM/SEED entrance). Please be sure to come by to pick up orders between 2:00 p.m. and 6:00 p.m.. We appreciate your generous support!

## MONTREAL STEPPERS:

Prior to his leave, **Daniel Frankman** applied for and received funding for workshops for several classes on April 9th and 10th, as well as two performances by the **Montreal Steppers** on Friday, April 11th for the whole school. Thank you to him for this initiative that will provide the students with a free opportunity, thanks to the "Artists Inspire" grant!

## VERDUN'S 150th/RIVERVIEW'S 100th:

Please keep sharing the link: [Almost a Century of Riverview](#) to add to our timeline! This, the Outdoor Classroom, and other projects are lined up in celebration of the community in the coming months!

## K4 PARENT COMPONENT:

Just a quick reminder that we are looking forward to welcoming our partners at JAME (J'Aime Apprendre Avec Mon Enfant) for the Books & Bagels workshop at 12:30 p.m. **tomorrow**. All K4 parents are invited to come by for the reading activity, coffee, tea, and bagels with Ms. Jennifer and Ms. Erin. The workshop will be followed by a small activity with students before they are dismissed for the day. Hope to see you there!

## PEARSON FAMILY FUN RUN:

**Save the date!** This year's Pearson Family Fun Run/Walk will take place on Sunday, May 4th at the Margaret Manson Elementary School. The Pearson Education Foundation raises money for school events, activities, and supports families by providing school supplies, winter clothing and more, when the need arises! See the flyer attached for details... We hope to see you there!

## LOST & FOUND:

If you have not yet followed us on Facebook, please consider doing so to catch up on news, photos, and all of the great things going on at Riverview! Also, be sure to scroll down to last week's posts about the Lost & Found! Over 200 items were organized and photographed by Mme Gisele in order to reunite students with their lost items. Many have been successfully returned to students and whatever is not claimed by the Easter Break will be donated in order to make room for more items. PLEASE BE SURE TO LABEL EVERYTHING! See some examples of lost items here:

## BACK TO BASICS:

Please continue to reinforce expectations regarding dress code (no hats/hoods on indoors, spaghetti straps, open sandals, etc.), walking quietly in hallways, polite language, no GUM or phones, and respect for oneself and others at all times.

## ACADEMIC SUPPORT:

Week one of the new after school academic support program went well last week. Eleven staff members have made themselves available for the next ten weeks after school and groups in English, French, and Math have been formed to provide extra support. If your child was given an invitation and has not yet returned it, please be sure to send it in tomorrow!

## FEDERAL ELECTIONS:

Please note the calendar change, announced last week: **There will be NO SCHOOL ON MONDAY, APRIL 28th, but the SEED program will be OPEN.**

Riverview will be used as a polling station that day. Only students registered for the Ped Day activity will be able to attend and we will ensure that there is no crossover between students and the general public coming in to the school to vote. Details will be provided closer to the date for those registered. Thank you, as always, to Miss Melissa and her team for the services they provide for families! It is most appreciated! See Facebook for photos!

NEW PED DAY:  
APRIL 28th  
May 16th is a regular school day!

## LOOKING AHEAD:
