Volume 30  
April 28th- May 2, 2025

MAY 2nd

Free Pizza Lunch

Free lunch will be available for all interested students on Friday!

Like our Facebook page for news and updates!

## FEDERAL ELECTION:

Please note that Monday, April 28th is a Ped Day!

There is NO SCHOOL, but SEED services are available for those registered. Please note that drop-off and pick-up will be at the north end of the school (the morning SEED door facing Riverview Park) to avoid crossing paths with the voters visiting the polling station in the gym during the day.

## BACK TO BASICS:

Please review the code of conduct that was sent at the beginning of the year (attached again this evening), which can also be found in the agendas of Cycle III students. Of note are the dress code, general expectations, and the policy reminding students that there is to be **NO cell phone use on school grounds or on the school bus**. Thank you for reviewing these expectations with students for a successful end of year!

## PEARSON FAMILY FUN RUN:

**Coming next Sunday, May 4th:** this year's Pearson Family Fun Run/Walk will take place at Margaret Manson Elementary School. The Pearson Education Foundation raises money for school events, activities, and supports families by providing school supplies, winter clothing, and more, when the need arises! See the flyer attached for details... We hope to see you there!

## EARTH DAY:

Some staff and students celebrated Earth Day last week by cleaning up the yard and along the waterfront. Others have been working on recyclable art, learning about energy conservation/sustainability, gardening, and more!

## CAMPVANTAGE 2025:

Nominations are underway for this year's CAMPVANTAGE literacy camp at Riverview. The three-week program will run from August 4th-22nd, from approximately 8:30-2:30, and is designed to support students with the transition back to school, with project-based activities in English, French, and Math as well as art activities and some outings. Designed for students currently in Grades 1-5, priority will be given to students nominated by staff, and invitations will go out next week. Extra spaces will be assigned where possible. Thank you to our sponsors at Réseau Réussite Montréal and École Montréalaise for their generous financial support and to our dynamic staff for taking time out of their summer to make this project happen for the third consecutive summer!

## GRADE 2 DENTAL SEALANT TREATMENT:

As follow up to the recent dental screening in Grade 2, our dental hygienist will return on May 7th and 8th to complete the sealant treatment for students where it was deemed necessary. If you would like your child to take advantage of this opportunity, the waiver that was sent home following the screening must be signed and returned this week.

## FIRE DRILLS:

We had one unannounced fire drill last week and students and staff did an excellent job of evacuating quickly and calmly. We have two drills left to carry out; one on May 8th at 10:45 a.m. and another later in the month after school during the SEED program.

## FREE PIZZA LUNCH:

On Friday, May 2nd, our PPO volunteers will be on hand to serve a FREE pizza lunch to all interested students. There will be no hot lunch service that day, and students who do not wish to participate may still bring a cold lunch, if they prefer. Vegetables and a juice box will also be provided. We are very grateful to our PPO for their generosity!

## VERDUN'S 150th:

Please keep sharing the link: [Almost a Century of Riverview](#) to add to our timeline!

## PROFESSIONAL PHOTO SHOOT:

CPE Riverview is hosting a fundraiser by offering family photography sessions for Mothers' Day. All of the proceeds go directly to supporting the CPE Riverview (not affiliated with our school). Please see the flyer for details on how to book a session.

## GRADE 6 FAMILIES:

You will be receiving the permission slips soon for the grad trip on May 15th. Please also be sure to **SAVE THE DATE** on June 19th for the ceremony at 5 p.m. Ministry exams in English and Math are coming up in May and June. Regular attendance, being on time, well-rested, and maintaining effort and behaviour are essential for the remaining eight weeks of school!

## LOOKING AHEAD:
