Heartfelt THANKS  
TO OUR VOLUNTEERS!

## WITH SEVEN WEEKS TO GO...

Time is sure to fly with all if the amazing things going on at Riverview this spring! Please be sure to review all of the upcoming events and note those that pertain to your family... May and June are very busy with evaluations, projects, trips, and special events. It is a an exciting time of year in any elementary school... Especially ours! **PROUD OF YOU, RIVERVIEW!** Let's come to each day well-rested, prepared, respectful, and ready to work! There is still lots to do before the celebrations can really begin!

## GENERAL REMINDERS:

As the weather gets warmer, all students are reminded to bring reusable water bottles to school. **Appropriate dress is required for the classroom** (no pyjamas, spaghetti straps or crops tops, flip flops or crocs are permitted). Also, a reminder that running shoes are necessary for Phys Ed at all times, in order to participate.

## ENERGY CUBES CHALLENGE:

As we moooooove in to spring, our Phys Ed teachers, Mr. L. & Mr. C. are encouraging students and their families to be active! All students received booklets to record their physical activity, getting a "cube" for every 15 minutes of physical activity in a day. We encourage students to set aside devices and go for walks, bike rides, and play outside every evening. The challenge is on until the end of the long weekend, later this month!

## GRADE 6 FAMILIES:

Permission slips for this year's grad trip to the **Ninja Factory on May 15th** will be sent home tomorrow. Please also be sure to sign and return the form this week. It is our goal to have all students join us, but respectful behaviour and engagement are expected in the days leading up to the trip. Ministry exams in English and Math are coming up in May and June. Regular attendance, being on time, well-rested, and maintaining effort and behaviour are essential heading into this busy period. Finally, if you have not yet ordered grad photos, and would like to, please use the code that was sent home with the photo proof or contact Green Apple Studios: [service@studiolapommeverte.ca](mailto:service@studiolapommeverte.ca) (1-866-883-8966). **SAVE THE DATE** on June 19th for the graduation at 5 p.m.

## CAMPVANTAGE 2025:

Invitations will be sent out to our first nominees by Friday. If you don't receive an invite for your child, and are interested, please reach out to Ms. Brown at [abrown@lbpsb.qc.ca](mailto:abrown@lbpsb.qc.ca) from **May 12-14th**. The literacy based camp has limited enrollment and is for academic reinforcement in English, French, and Math, to ease the transition back to school. It has a recreational focus in the afternoons and is animated and supervised by school staff. It will run from **Aug. 4th-22nd this year, from 8:30-2:30 daily**.

## FREEZE DRYER PROJECT:

Mme Sophie's Grade 4 class has been working hard all year to learn about food conservation, gardening, sustainability, and more! The freeze dryer to reduce food waste, conserve food, and provide healthy, nutritious snacks for the school and community remains the goal, even going into next year! You can support their mission by donating online **FREEZE DRYER** or by coming by the gym doors on **MONDAY from 2:30-4:00** to purchase fresh basil plants, grown by the students, for \$5 each! Just in time for Mother's Day!

## LOOKING AHEAD:

May 7th-8th  
May 8th  
May 13th  
May 14th  
May 15th  
May 16th  
May 19th  
May 20th
