

RIVERVIEW NEWS

2024-2025 Family Edition

Volume 32
May 12th - May 16th, 2025

Like our Facebook page for news and updates!

HAPPY MOTHER'S DAY:

Many classes were busy preparing notes/treats last week to show gratitude to Moms for all that they do. We hope that all of the moms, grandmothers, and caregivers in the Riverview community feel the love today and always! Take some time today for YOU! Enjoy the sun!

SEED/DAYCARE STAFF APPRECIATION:

This week we will celebrate our SEED/Daycare/Lunch staff for all that they do to support students! We appreciate them for their creativity, care, and dedication. Thanks to Miss Melissa, our Daycare Technician for her hard work in coordinating the team... We are grateful to all of you! Please take a moment to thank them with a kind word or gesture this week! Messages of thanks can be sent to the team at mbourcier@lbpsb.qc.ca.

OCEANWISE:

This week, students and staff will have the opportunity to visit a mobile exhibit by Oceanwise, a global conservation organization. The gym will be transformed into an interactive learning space in order to find out about meaningful ways to protect our oceans and wildlife. To find out more, visit: <https://ocean.org/action/seadome/>

ENERGY CUBES CHALLENGE:

Keep it moving, Riverview! All students are encouraged to keep track of their movement this month using the booklet distributed by our Phys. Ed. Teachers. (see Facebook for images)

OUTDOOR EDUCATION:

Our Outdoor Classroom is reaching the final stages before construction can begin in Riverview Park, behind the school. A long time passion project of our PPO, the space will allow students to enjoy outdoor learning for years to come! We will keep you updated when details are finalized. In the meantime, Ms. Rachel and Mme Sophie have spent the last few days with other LBPSB colleagues at a conference in Banff, Alberta, collecting information about outdoor ed. for Riverview! What an experience!

FIELD TRIPS:

There are a number of field trips on the horizon and students are all reminded that, in order to participate, engagement and appropriate behaviour are required. This week, **Grade 2 will visit L'École de Cirque de Verdun on Tuesday.** **Grade 6 classes will go to the Ninja Factory for their grad trip** on Thursday, before settling into exams next week. Please be on time and prepared for trips (don't forget to send in permission slips!).

CAMPVANTAGE 2025:

The first round of invitations are going out by email as we speak... After that, any available spaces will be offered to other interested families. STAY TUNED! :)

SAVE THE DATE:

The End of Year Event for families will take place on **June 12th, from 3:00-6:00 p.m.** in the school yard, with food, games, music, and lots of surprises in store! See you there!

VOLUNTEER RECEPTION:

Invitations were sent out this weekend (with a few more for PPO volunteers to come)! Looking forward to recognizing the efforts of our dedicated parents and community members on June 2nd! Thank you!

WARMER DAYS AHEAD THIS WEEK:

Please remind students about the proper attire for school. Shorts, t-shirts, and even tank tops (but no spaghetti straps crop-tops, hats, or hoods) are permitted. For safety reasons, crocs & open-toed sandals/flip flops are not acceptable footwear for school. Running shoes are required at all times during Phys Ed.
