2025-2026 SCHOOL YEAR

CALENDAR:

The school calendar for next year has been approved and is attached to the email today. Starting in September, the SEED registration for all Ped Days for the YEAR will be published on one form for your convenience. We thank Ms. Melissa for her hard work in preparing it and can't it to share it with you! It will be a "one stop shop" to help families plan in advance!

SCHOOL FEES & SUPPLY LISTS:

Recently approved at Governing Board, the supply lists will be sent to families and posted to the website during the first week of July. School fees remain, for most cycles, quite similar to this year.

CLASS LISTS:

Work has begun to create class groupings for the new year. Please understand that we cannot accommodate requests for specific teachers and/or for friends to be placed together, but that we work hard to create balanced classes with students' best interests in mind.

SPECIAL THANKS:

Our amazing PPO will be saying goodbye to a longtime member, past president, and project leader this year as her son graduates! **Johanne Turcotte** has been an instrumental part of many events and initiatives over her years as a volunteer and we are eternally grateful! She has been particularly dedicated to overseeing the Outdoor Classroom for Riverview Park. Construction is set to begin this summer! Merci beaucoup!

We will take as many students as we can. **Those who have already registered must be sure to send in their \$30 deposit to Ms. Kim, in an envelope clearly marked "CAMPVANTAGE DEPOSIT", along with your child's name and current homeroom.**

GRADE 6 PARENTS:

The big week is here! Tickets for the graduation ceremony will be sent home with students (including any extra requested, where possible) on **MONDAY**. Students are reminded to be clean, tidy, and appropriately dressed for the occasion. **ONLY GRADUATING STUDENTS** must arrive at 4:45 p.m. at the office door on Thursday afternoon. Doors will open at the gym entrance for family and guests at the same time. We look forward to seeing you **June 19th @ 5:00 p.m.** **CONGRATULATIONS!**

LOST & FOUND/CLEAN UP:

This week, students will be cleaning desks, bins, locker areas, and receiving a lot of completed artwork and assignments to bring home. Lost and found items will be donated after school ends on Friday, so please sure to stop by to claim personal items this week.

EXPECTATIONS FOR STUDENT BEHAVIOUR

Please continue to keep healthy habits, sleep routine, and behavioural expectations clear with children until the last day of school. It is at this time if year that situations escalate more quickly than normal, due to emotional dysregulation. We must all work together to support students until the end of the year and during the transition into next year... Students not respecting the code of conduct may be sent home more frequently in the coming days, as student safety, well-being, and belonging are the priority.

LET'S HAVE A GREAT LAST WEEK TOGETHER!
