

DENTAL SCREENING:

This is a reminder to **Grade 2 families** that on Tuesday, November 14th, our hygienist, Carole Cyr, will screen all grade 2 students (except those who return the refusal form) to see who could benefit from the **FREE** sealant treatment, which will be done in December. Please note that no permission is required for the screening, but that any student who requires the actual treatment will need to have a signed consent form. Screening results will be sent home with students including recommendations.

REMEMBRANCE DAY 2023:

Our Remembrance Day observance was a lovely, respectful homage to those who serve our community, today and throughout history. Our Leadership students, under the direction of Ms. Stefani, our spiritual animator, did a wonderful job welcoming our guests, piper Alan Jones, City Councillor Sterling Downey, and Verdun Legion President Darlene Harrison. Well done, Riverview!

PEF DRESS DOWN DAY:

On November 20th, students and staff are invited to dress in the LBPSB colours and bring in donations for the Pearson Education Foundation. "PEF", as it is called, uses the money to support families in need with things like school supplies, winter coats, boots, and clothing. We encourage everyone to consider bringing in some change next Monday to contribute to the fund that many of our students benefit from. Please see the flyer attached for more information and proudly wear your **navy blue, yellow, white,** or **silver** to celebrate the 25th anniversary of the LBPSB! Donations will be collected next Monday morning... no minimum amount required!

STRIKE DAYS CONFIRMED:

As you have likely already heard, a three-day strike is being planned for Nov. 21st to 23rd. The LBPSB communications department will be sending out details in a memo to families tomorrow, and we will therefore have to **reschedule the parent/teacher interviews planned for the evening of November 23rd**. A special meeting will be held with staff tomorrow to determine the new date and it will be communicated with families by the time that Term 1 report cards are released via Mozaik this week. At this point, our November 24th Ped Day will still be used for interviews, as previously planned. We will update you when details become available.
